Aluminium Pilfer-proof Caps

Protective Seals for Injectibles

Discover sealing excellence with our FlipTop® range of seals. There are three categories – FlipTop® Optima, FlipTop® Tear Down and FlipTop® Pull Ring. These seals are crafted by assembling aluminum seals with a plastic disc, offering superior functionality and performance. Besides, we also manufacture Tear Off and Tear Down seals without the plastic discs.

The plastic discs of our FlipTop® range of seals come in a variety of finishes such as Matte, Glossy and Transparent. They are available in all Pantone shade colors.

Tear off and Tear Down Seals are available in either plain or colored Aluminium.

Aluminium Pilfer-proof Caps

Our range of Aluminum ROPP (Roll on Pilfer-proof) caps reduce the risk of variability and its potential effects on drug quality, safety and efficacy. These products provide excellent machinability and help maintain closure integrity. They come in plain, printed and chamfered finishes.

Plain

Printed

Chamfered

Sizes available are 22, 25, 28, 35 and 38 mm. Inner liners can be either EPE, Latex or PVC.

State-of-the-Art Manufacturing

Spread over an area of 75,000 square feet of constructed factory space, our ultra modern manufacturing plant produces more than 2.4 billion seals per year. We additionally produce 250 million Aluminum Pilfer proof caps per month.

Powered by state of the art, high-end precision machinery, Autofits prides itself with having India's only ISO Class 8 Certified manufacturing facility.

Our core competence lies our dedicated in-house design and development facility.

QUALITY CERTIFICATIONS

- ISO 9001 - 2015 (21.GGCS.IN.091174)
- ISO 14001 - 2015 EMS CERTIFICATE (21.GGCS.IN.140169)
- ISO 15378 - 2017 GMP CERTIFICATE (21.GGCS.IN.151175)
- DMF CERTIFICATE (18100)
- CFDA NO.: (B20200000501)

To achieve our Zero-defect target, we use online high-speed visual inspection camera systems to ensure high quality seals with minimal human interference.

Some of our valuable clients

With 37 years of manufacturing experience, we are the chosen suppliers to more than 150 of the world's most trusted pharmaceutical companies.

We protect and preserve.
